

## **Adoption Statement**

In accordance with the Town and Country Planning (Local Planning) (England) Regulations 2012, notice is hereby given that Harrogate Borough Council adopted the Green Infrastructure Supplementary Planning Document (SPD) on 6 November 2014.

The SPD seeks to enhance the natural and built environment of the District by helping applicants and developers ensure that proposals for development make the most of opportunities to improve existing and create new green infrastructure and will be used as a material consideration when considering planning applications.

Any person aggrieved by the adoption of the SPD, may apply to the High Court for permission to apply for judicial review of that decision, and that any such application must be made promptly and in any event not later than 3 months after the date on which the SPD was adopted.

The adopted SPD including the Consultation Statement and Schedule of Responses can be viewed at [www.harrogate.gov.uk](http://www.harrogate.gov.uk)

If you have any questions on the SPD, please contact the Planning Policy team on 01423 500600 or via [planningpolicy@harrogate.gov.uk](mailto:planningpolicy@harrogate.gov.uk)
