Building Regularisation Certificate Application Form (England)

Notes and Checklist

| | Is a Regularisation Certificate Application suitable? | Regulation | Is this applicable? Yes or No |
|---|---|---|----------------------------------|
| 1 | Was the unauthorised building work before the 11th November 1985? Any building work carried out before 11th November 1985 is not eligible to be regularised. | <u>18(1)</u> | |
| 2 | Is the building work etc., in relation to higher-risk building work? A regularisation certificate application given to the local authority is not appropriate in these circumstances. Regularisation certificate applications for building work to higher-risk buildings can be made here . | <u>2B</u> | |
| 3 | Has any part of the work described in an initial notice been carried out and the initial notice has ceased to be in force? If so, Regulation 19 of the Building (Approved Inspectors etc) Regulations 2010 (local authority powers in relation to partly completed work) applies. Compliance should be with the requirements of that regulation and a building regularisation certificate application is not appropriate. | 19 - Building (Approved Inspectors etc.) Regulations 2010 | |

If the response to all the questions above is 'no' then an application for a regularisation certificate is appropriate for the proposed work. Where the response is 'yes' for row 2, an application should be made to the Building Safety Regulator. Where the response is 'yes' to any other row, the application for a regularisation certificate is not appropriate.

In submitting a Regularisation Certificate Application, you should be aware of and able to demonstrate compliance with the relevant requirements which apply to the work you have undertaken. If you are not able to demonstrate compliance, you should appoint designers and contractors capable of doing this on your behalf. Supplementary documents such as plans, structural calculations, reports etc. should be submitted with the Regularisation Certificate Application as supporting evidence. Documents submitted with a Regularisation Certificate Application will not receive an approval.

| | Is additional information required? | Regulation | Included or not applicable? |
|---|--|-----------------|-----------------------------|
| 4 | So far as is reasonably practicable, a plan of the unauthorised work is required. | <u>18(2)(c)</u> | |
| 5 | So far as is reasonably practicable, provide a plan showing any additional work required to be carried out to secure that the unauthorised work complies with the requirements relating to building work in the building regulations which were applicable to that work when it was carried out. | <u>18(2)d</u> | |

| Further Information | | Regulation | |
|---------------------|--|-----------------|--|
| 6 | Unauthorised building work means building work, other than work in relation to which an initial notice, an amendment notice, a public body's notice or a regulator's notice has effect, which is done without: | <u>18(8)(a)</u> | |
| | a building notice being given to the local authority | | |
| | an application for building control approval with full plans of the work being given to the local authority or: | | |
| | a notice of intention to start work being given to the local authority, in accordance with <u>Regulation 16(1)</u>, where a building notice has been given or an application for building control approval with full plans of the work has been given. | | |
| 7 | Question 6 on the Building Regulation Certificate Application Form (England) Does the work involve electrical work? referes to: | <u>12(6A)</u> | |
| | the installation of a new circuit | | |
| | The replacement of a consumer unit or | | |
| | Any addition or alteration to existing circuits in a special location | | |

Subject to certain exemptions a Building Regularisation Certificate Application Form (England) attracts a charge payable by the person by whom or on whose behalf the work is to be carried out. Charges are paid in full at the time the Building Regularisation Certificate Application Form (England) is received. Where payment is made by cheque these should be made payable to North Yorkshire Council.

A regularisation certificate will be issued following a satisfactory completion inspection.

Further information and advice concerning the Building Regulations can be obtained from North Yorkshire Building Control. Telephone: 01347 820600 Email: enquiries@nybcp.org Website: https://www.nybcp.org/.

This document provides information for some of the more common building work scenarios. Reference should always be made to the Building Regulations 2010 (as amended) for full details.
