

Scarborough Harbour
LOCAL NOTICE TO MARINERS
Harbours, Docks and Piers Clauses Act 1847
Installation of Special Mark Buoys

All Mariners are advised that the aquaculture company, Seagrown have installed 4 x Special Mark buoys at the boundaries of their aquaculture site in the following WGS84 positions (MLA/2017/00386 refers):

1. 54°15.75N 000°17.55W

2. 54°15.45N 000°17.55W

3. 54°15.45N 000°17.05W

4. 54°15.75N 000°17.05W

Each buoy is a yellow can shaped Special Mark fitted with a topmark, radar reflector and light (Fl.Y.5s).

A submission has been made to UKHO for inclusion of these marks on Admiralty charts, ENC's and publications / eNP's.

Whilst the boundaries of the aquaculture site are lit, marked and charted, equipment deployed within these boundaries may be unlit and lying close to the surface. Mariners are advised to exercise caution in the vicinity and to remain a safe distance outside the site boundaries.

Further advice can be obtained from Seagrown.

Capt. Chris Burrows

Borough Harbour Master
