CONSIDERATION OF OBJECTIONS

Under the Council's Constitution, the consideration of objections to a proposed TRO is delegated to the Corporate Director - Business and Environmental Services (BES) in consultation with the BES Executive Members. For each TRO where there are objections, it will be necessary to bring a report to the Corporate Director - BES and the BES Executive Members seeking a decision on the consideration of the objections. The report will include the views of the relevant local member who will also be invited to the meeting that considers the report. The Corporate Director - BES may wish to refer the matter to the Council's Executive for a final decision.

A report to the relevant Area Committee will only be necessary when there are objections to a wide area impact TRO.

A wide area impact TRO is defined as a proposal satisfying all of the three criteria set out below:

- The proposal affects more than one street or road and,
- The proposal affects more than one community and,
- The proposal is located within the ward of more than one County Councillor

The report will seek the views of the Area Committee and these views will then be included in a report to the Corporate Director - BES and the BES Executive Members seeking a decision on the consideration of the objections. The Corporate Director - BES may wish to refer the matter to the Executive for a final decision.

The existing arrangements for members of the public wishing to attend or speak at committee meetings will apply and it may be appropriate for the Corporate Director - BES to have his decision making meetings open to the public, so that the public and in particular those with objections, have the opportunity to put their views across directly.

N.B. The Corporate Director - BES has delegated powers to make decisions on TROs where there are no objections.
