A Basic Allowance of £15,500 was paid for 2023/24.

Where the Basic Allowance paid is not £15,500, this is because:

- 1) a councillor not accepting revised increase in the Basic Allowance
- 2) a councillor only serving part of the year due to by-elections.

This summary covers payments made for 2023/24. It may include claims in relation to mileage and costs incurred in 2022/23 but not paid until 2023/24 and exclude claims in respect of 2023/24 not paid until 2024/25.

Some Members chose to donate part or all of the allowances that they received to charitable organisations.

A full description of the Members' Allowances Scheme can be found in the North Yorkshire Council Constitution at Part 6 – [Council constitution | North Yorkshire Council](#)

The report of the Independent Remuneration Panel, proposing changes to the allowances paid for the year 2023/24, went to the meeting of the County Council held on 24 February 2023 – [Agenda for Full Council on Friday, 24th February, 2023, 10.30 am | North Yorkshire Council](#)
