<p>REASONS FOR MAKING THE ORDER</p>	<p>The Council considers that it is expedient to make this TRO on grounds (a), (c) and (f) above, having taken into account its duty under Section 122(1) of the 1984 Act, for the following reasons:-</p> <p>The proposed 20mph speed limit maintains reasonable access to premises, improves safety for pedestrians and vehicle users.</p> <p>The Order will create various 20mph speed limits and zones across the southern/ southwestern area of Harrogate, in areas complimenting existing traffic calming measures and will assist in promoting safer roads across residential areas and in the locality of schools, reduce the risk and severity of collisions, reduce congestion, improve air quality, reduce vehicle noise, enhance the environment for walking and cycling and to support local communities in having a sense of place.</p> <p>On Beechwood Grove specifically the 20mph speed limit will complement the School Street scheme by supporting parents with children to encourage and compliment active travel by walking and cycling for the journey to and from school, which in turn will help the</p>

	environment by reducing congestion and pollution.
