If YES please submit written confirmation from your neighbour(s) of their agreement to your proposal to use the space in front of their premise	
Does your proposal leave a 2.0 metre wide unobstructed pedestrian route? (See Design Guide)	Yes
If NO , please explain why. NB: Cafes which do not leave a 2.0 metre wide unobstructed pedestrian route will only be approved if there are mitigating circumstances.	

PART D: Type of Equipment

Proposed number of tables?	5
Proposed number of chairs?	13
Do you propose to use parasols?	Yes
If YES , how many?	2
Please provide details of proposed tables/chairs/parasols giving design information, dimensions and colour (see Design Guide) and include appropriate risk assessments.	<p>We will be using furniture made from high-quality materials such as metal and wood. The stools will be metal and stackable making them durable and easy to remove and store away. The tables are custom-made from aluminium with weighted bases meaning that they will be easy to remove yet will not blow over in sudden wind. The tables will be powder coated with a matte black finish to avoid any reflective surfaces. The parasols will only be used in light rain and have weighted bases meaning that they won't blow away. The tap plates will be self standing with weighted bases and will be finished in a soft red material. This will help visually impaired people differentiate them from our building. Cafe barriers will be in increments or 2m each attaching to a freestanding post creating 6m coverage there will be one at 1.5m covering the end return. Parasols will be fabric with advertising of products we stock and sell only.</p>
