

Selby District Local Plan

Community Infrastructure Levy (CIL)

CONSULTATION STATEMENT in compliance with The Town and Country Planning (Local Development) (England) Regulations 2008 (Amended)

Introduction

Under the Planning and Compulsory Purchase Act 2004 (Amended) it is a requirement to prepare and make available a Consultation Statement setting out:

- the names of any persons whom the authority consulted in connection with the preparation of the CIL;
- how those persons were consulted;
- a summary of the main issues raised in those consultations; and
- how those issues have been addressed in the production of the policy.

This statement is a record of the consultation undertaken during the production of the CIL. It is a living document that is updated at each stage of the adoption process.

Purpose of the CIL

The CIL will be a policy that sits in the Local Plan suite of documents. The CIL Preliminary Draft Charging Schedule does not consider planning issues, such as the amount, type or location of development. The CIL is a District-wide document that establishes a levy to be placed upon development of all types.

The CIL consultation includes a range of supporting information, such as the *Economic Viability Appraisal* and the *Infrastructure Delivery Plan*

The CIL Regulations 2010 (Amended) state that a *Sustainability Appraisal*, a *Strategic Environmental Assessment*, and an *Assessment under the Habitats Regulations* are not required.

Further to these documents, a series of background papers and other “evidence” that has supported the Core Strategy is also available.

Consultation Methods

In order to engage with the community, the Council will:

- Make copies of documents available to view online at www.selby.gov.uk/CIL
- Place copies of documents at the following locations for viewing at normal opening times:
 - Access Selby, Market Cross Shopping Centre, Selby
 - Selby Library, 52 Micklegate
 - Sherburn in Elmet Library, Finkle Hill
 - Tadcaster Library, Station Road

- Barlby Library, Howden Road
- Mobile Libraries
- A formal advertisement placed in the local press on the first day of the consultation (or as near to it as possible depending on printing/publication of the press).
- A press release made available to all the local press
- An article in Selby District Council's *Citizen Link* newspaper may be placed depending on publication dates.
- A letter or e-mail informing people of the availability of the documents sent to:
 - North Yorkshire County Council
 - District Councillors
 - Selby District Parish Councils
 - Neighbouring Local Authorities
 - Other Consultees as included on the most up to date Planning Consultation Database, including
 - Organisations normally involved in planning matters
 - Developers, agents, builders that operate in Selby District
 - Other interested persons whom have given their details

Production timetable

The CIL must undergo a process of development and formal adoption, the timetable for which is established in the Council's Local Development Scheme 2013-2016 (available on the website www.selby.gov.uk). An extract from the LDS showing the timetable may be found below:

2013							2014							2015																
J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D

- Key:
-  Preparation / Research / Analysis
 -  Consultation on Preliminary Draft Charging Schedule and Regulation 123 List
 -  Draft Charging Schedule consultation
 -  Submission to Secretary of State
 -  Examination
 -  Inspector's Report
 -  Adoption

STAGE 1: PRE-PRODUCTION

The Council commissioned (jointly with Ryedale District Council and the North York Moors National Park) specialist consultants Roger Tym (now part of Peter Brett Associates) to undertake an Economic Viability Appraisal (EVA) on its behalf. That work began in November 2012.

At the same time, the Council also undertook to update the Infrastructure Development Plan (IDP) that has previously supported the Core Strategy and

later the former Site Allocations DPD. Together, these exercises informed the preparation of the Preliminary Draft Charging Schedule.

The EVA, updated IDP, Preliminary Draft Charging Schedule (including draft Charging Zones), and draft consultation material were considered by The Executive on 5 December 2013, and approved for public consultation.

The Scrutiny Committee called in the Executive's decision and considered the report on 18 December 2013. The committee heard from Officers and a representative from Peter Brett Associates. The Committee resolved to endorse the Executive decision and take no further action on the call in, other than to recommend additional consultation material be prepared for use by non-specialists.

The additional material was prepared and endorsed by the Director of Community Services in consultation with the Leader of the Council and the Chair of Scrutiny Committee prior to consultation.

Additional information on infrastructure was also received which has led to amendments to the IDP. This updated information does not alter the viability calculations, but does indicate additional justification for the CIL. The updated IDP and revised summary in the EVA endorsed by the Director of Community Services in consultation with the Leader of the Council prior to consultation.

STAGE 2: Preliminary Draft Charging Schedule consultation

The 6-week public consultation period began on 14 January 2014, ending on 28 February 2014 (6 weeks).

Appendix 1: Schedule of people and organisations contacted through the production of the SADPD.
