Dear Policy and Strategy Team

**Selby District Local Development Framework (LDF)
Further Proposed Changes (6th set) to the Submission Core Strategy**

Thank you for requesting comments from the Homes and Communities Agency (HCA), the national housing and regeneration agency.

Our enabling role is to support our local authority partners in creating opportunity for people to live in high quality, sustainable places. We are a national agency working locally. We help provide funding to deliver affordable housing, bring land back into productive use and improve quality of life by raising standards for the physical and social environment.

The HCA support the proposals being put forward but have no specific further comments to add to our original response as consultee to make at this stage of the consultation process.

Yours faithfully

David Curtis
