ESCRICK PARISH COUNCIL SURVEY

Do you support the proposed change in status of Escrick from a Secondary Village to a Designated Service Village? Yes / No (please circle as appropriate)

Comments

If development is planned which meets the needs of local / Escrick residents, eg. need for bungalows, then I think village status redefining and expansion would be most beneficial. A bypass is urgently now needed to link to the Designer Outlet rear access / A64 junction. Surrounding villages are expanding beyond our control, yet

Name and Address

Escrick is significantly and adversely affected by the traffic flows. This is the "double whammy" effect of trying to resist change in Escrick to suit the interests of the few, eg. residents affected by bypass development near their properties

If you require further copies of the form, please contact our Clerk Vicky Cumberland on 720118 or they can be printed from the website www.escrick.org

Please return the form to any of these addresses:
