Local Plan Consultation**

"PLAN Selby"
(The Sites and Policies Local Plan)

Initial Consultation Comments Form

"PLAN Selby" is the Sites and Policies Local Plan which the Council is developing to deliver the strategic vision outlined in the Core Strategy that was adopted in 2013. When adopted, PLAN Selby will form part of the Local Plan for the District against which planning applications will be assessed.

This consultation is the first stage in our on-going dialogue with you and we hope that you will take time to respond to it and help us move forward. The responses to this consultation will help inform our work and shape the District for the future.

Comments are therefore invited as part of this Initial Consultation.

Please use this form to make your comments.

Please read the main document PLAN Selby and associated papers, which are available on the Council's website at www.selby.gov.uk/PLANSelby and at local libraries and Public Council offices.

You will need to see what is in PLAN Selby in order to make your comments. It contains a wide range of issues and specific questions on which we would like your views. Please make sure you are clear about which part of PLAN Selby you are commenting on and ensure we have your full contact details so we can take your comments into account and so that we can contact you about the next stages.

We agree that each village should grow proportionately, and that this is a fair and appropriate starting point for deciding the split between the DSV's. We believe that it would be unfair if certain villages grew significantly more than others.

9b
The infrastructure of each village, to cope with the additional dwellings, including highways, public transport, schools, doctors, local amenities e.g. shops.
