"PLAN Selby"
(The Sites and Policies Local Plan)

Initial Consultation Comments Form

"PLAN Selby" is the Sites and Policies Local Plan which the Council is developing to deliver the strategic vision outlined in the Core Strategy that was adopted in 2013. When adopted, PLAN Selby will form part of the Local Plan for the District against which planning applications will be assessed.

This consultation is the first stage in our on-going dialogue with you and we hope that you will take time to respond to it and help us move forward. The responses to this consultation will help inform our work and shape the District for the future.

Comments are therefore invited as part of this Initial Consultation.

Please use this form to make your comments.

Please read the main document PLAN Selby and associated papers, which are available on the Council's website at www.selby.gov.uk/PLANSelby and at local libraries and Public Council offices.

You will need to see what is in PLAN Selby in order to make your comments. It contains a wide range of issues and specific questions on which we would like your views. Please make sure you are clear about which part of PLAN Selby you are commenting on and ensure we have your full contact details so we can take your comments into account and so that we can contact you about the next stages.

**Completed comments forms must be received by the Council
no later than 5pm on Monday 19th January 2015**

The Selby planned development

With all the additional development due at the Staynor Hall estate, I would like to make you aware of a few of my concerns:

- infrastructure. Is Selby Council going to supply additional services - Doctors and school places? It is already very difficult to get a Dr's appt and school numbers already seem tight in some areas.
- traffic on the A1041. There are frequent and serious accidents both in the Selby part (McDonalds) and further down towards Cambleswell. How are we to cope with more cars?
- drainage. We are on a flood plain. Are you

providing sufficient drainage?
