Topic / Chapter

BRAYTON DEVELOPMENT

Question no.

Q 43

Paragraph

The development Brayton should take into account the nature and layout of the village. It has spaces, village green, and views of natural beauty, Batff and Canal path, that should be maintained and protected. The strategic gap and the area around St. Wilfreds Church give the village a character and area of pride and presence.

This view is held by many of the residents of Brayton and primary to their views.

Topic / Chapter

BRAYTON SCHOOLS

Question no.

Paragraph

The shortage of places within the infant and primary schools in Brayton is not a good factor when considering village expansion. If the population increases any further, new developments MUST include as a primary starter, the building of a new school and must run alongside any housing development. Waiting to see what happens is not a consideration.

Topic / Chapter BRAYTON MEDICAL SYSTEM.

Question no. Q 43 Paragraph

The increase population, especially of an older group, is causing strain on the doctors / medical services in the Brayton area, with most residents having to travel to Selby surgeries. More development and housing will increase the work burden on these services and so consideration to expansion of medical services is needed.

Topic / Chapter BRAYTON TRANSPORT.

Question no. Paragraph

Over the recent past, public transport from Brayton has been reduced, there is no buses after 7 pm and Sunday services are very poor to areas outside the village. Thought must be given to any proposals that increase the need for public transport that does not exist and may never be increased.
