Subject: Barlby and Osgodby Plan Selby

Dear LDF,

I apologise for the delay in forwarding these comments relating to the consultation process. I have been on compassionate leave due to a family crisis.

The Council's comments are as follows :

Barlby and Osgodby Parish

The Town Council is extremely disappointed that there was no opportunity to comment on issues relating to the Barlby Bridge area of the Parish. Maps of Barlby Village and Osgodby Village were provided at consultation events. Maps for the Barlby Bridge area (including the Olympia Park site) were only obtained afterwards.

This part of the Parish is now in the Selby East Ward for electoral purposes but is still part of Barlby and Osgodby Parish, both geographically and administratively, and should have been included in the consultation process. Olympia Park was described as being 'technically' in the Parish and continues to be described as part of greater Selby when, at the time of writing, it is actually part of Barlby and Osgodby Parish.

The Town Council's comments on issues raised at each of the consultation events will have already been included in the Consultation responses.

Yours Sincerely

D E Dumbell

Council Manager
