Dear Sir/Madam,

Local Development Framework Draft Core Strategy consultation – January 2011.

On behalf of our clients Tesco Stores Limited, please find outlined below representations on the Draft Core Strategy consultation document published in January 2011.

Strategic Objectives

We previously supported the strategic objectives outlined on the Draft Core Strategy (CS) published in February 2010 where we supported the outline principles.

With regard to the January 2011 consultation CS, we welcome and support the strategic approach taken by Selby District Council on the overall spatial planning objectives which outline measures for strengthening Selby's regional economic role by supporting sustainable economic development.

Policy CP1 – Spatial Development Strategy

We support the proposed settlement hierarchy outlined in paragraph 4.4 of the above mentioned document, which considers Selby as a Principal Town. In line with paragraph 4.15 and Policy CP1 (Spatial Development Strategy) we consider that the main focus for growth, in particular retail growth, should be within Selby's urban area.

Policy CP9 - Scale and Distribution of Economic Growth

We support the general principles of Policy CP9 which seeks to control the scale range and growth of economic uses in the Selby area.

We support the provision for an additional employment land, criterion 1, because we

consider the provision of retail jobs in addressing employment/economic targets are important and this needs to be recognised within Policy CP9 in line with PPS4's definition of economic development.

In particular we support criterion 4 of this policy which supports the efficient reuse of employment sites and premise through modernisation, expansion, redevelopment, reuse and intensification. We consider that this policy will allow more previously developed sites/land to be redeveloped ahead of undeveloped land, which is considered more sustainable and in line with national and regional policy objectives. Furthermore, it will allow the reuse of employment sites coming to or at the end of the development life, to be redeveloped for other uses such as retail. This policy may increase investor confidence within the Selby area as it offers a more flexible approach to redeveloping employment land.

Policy CP11 – Town Centres and Local Services

We support the main objectives of proposed Policy CP11 (Town Centres and Local Services). It is considered that the proposed policy will encourage economic growth in Selby and would help maintain the vitality and viability of the town centre. Selby should remain the focus for convenience and comparison goods retailing as the district's Principal Town. We also welcome that the proposed policy seeks to strengthen the role of Local Service Centres by encouraging a wider range of retail and service uses, which meet the needs of the area served by these centres.

Policy CP12 - Sustainable Development and Climate Change

We support the general principles of Policy CP12 which seeks to promote sustainable development. In particular we consider that criterion B will enable and encourage the re-use of redundant buildings and land located in sustainable locations, such as within the development limits of Selby.

We trust our comments will be taken into account. If you require any additional information on the above please do not hesitate to contact me.

Yours sincerely

Kelley O'Neill

Part A

In completing this representation form, you are providing a formal consultation response under Regulation 27 of the Town and Country Planning (Local Development)(England) Regulations 2008 with regard to the Selby District Submission Draft Core Strategy DPD on grounds of soundness only.

Please complete separate copies of Part B (pages 3 and 4) of this form for each section, policy, table, map or diagram about which you wish to comment.

If you believe that a section, policy, paragraph, table, map or diagram is unsound with regard to more than one test of soundness please provide a separate representation for each test.

The Tests of Soundness

Soundness is explained in PPS12 (Planning Policy Statement 12) in paragraphs 4.36 - 4.47, 4.51 and 4.52 and the boxed text. Specifically paragraph 4.52 states that to be sound a Core Strategy should be:

1 Justified

PPS12 provides that to be 'justified' a DPD (in this case the 'Core Strategy') needs to be :

- founded on a robust and credible evidence base involving:
 - evidence of participation of the local community and others having a stake in the area
 - research/fact finding - the choices made in the plan are backed up by facts
- the most appropriate strategy when considered against reasonable alternatives

2 Effective

PPS12 states that Core Strategies should be effective. This means:

- Deliverable - embracing:
 - Sound infrastructure delivery planning
 - Having no regulatory or national planning barriers to delivery
 - Delivery partners who are signed up to it
 - Coherence with the strategies of neighbouring authorities
- Flexible
- Able to be monitored

3 National Policy

The DPD (in this case the 'Core Strategy') should be consistent with national policy. Where there is a departure, the Local Planning Authority (LPA) must provide clear and convincing reasoning to justify their approach.

Completed representation forms must be returned to the Council no later than 5pm on Monday 21st February 2011.
