Subject: Interim Housing Policy

Members of Selby Town Council considered the Selby District Council Consultation on Draft Interim Housing Policy, and made the following comments:

Members noted that gardens were no longer classed as 'brown field' they were now classed as "green field" areas.

It was noted that there had been a relaxation on Green Field Land in villages whereby gardens could not be built on.

RESOLVED: That the District Council be advised that the Town Council would wish to see the refusal of back garden development in Towns as well as Villages.
