Dear Sir/Madam

**Selby District Local Development Framework (LDF)  
Submission of the Draft Core Strategy**

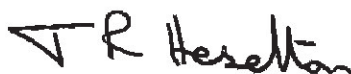

I am writing to inform you that as part of its Local Development Framework (LDF), Selby District Council has submitted the Core Strategy Development Plan Document (DPD) to the Secretary of State for Communities and Local Government on 5 May 2011 for independent examination. Once adopted, the Selby District Core Strategy will establish a spatial vision and objectives to guide the scale and distribution of development across the whole District. It will also provide a framework for delivering sustainable development through a number of strategic policies, including a site for strategic growth.

Please find enclosed a CD containing a copy of the Submitted Core Strategy, together with a number of relevant accompanying documents. I would also be grateful if you can display the enclosed posters on your village notice boards to help publicise the submission.

The Core Strategy plus a number of accompanying documents and supporting evidence is available to view at Access Selby and all libraries in the District (including mobile libraries) during normal opening times. The same information will also be available to view on the council website [www.selby.gov.uk](http://www.selby.gov.uk) by the end of this week, together with information relating to all the previous stages of preparation of the Core Strategy.

Please contact the LDF Team if you have any queries, or require a hard copy of the submitted Core Strategy, by e-mailing [ldf@selby.gov.uk](mailto:ldf@selby.gov.uk) or telephoning 01757 292034.

Yours faithfully
