LOCAL DEVELOPMENT FRAMEWORK

Core Strategy - Further Options

How you can shape the Selby District of tomorrow

You may have already read or heard about the 'Core Strategy - Further Options' consultation that is being held until 18 December. The Core Strategy will set out the Council's vision up to 2026 and covers the four key policy areas of housing, employment, the environment and the support of sustainable communities.

More information is available on the Council website www.selby.gov.uk

As well as publishing a Further Options Report, summary leaflets and questionnaires, the Council will be holding 6 drop-in sessions so that you can talk to officers, look at proposals and hopefully be inspired to contribute to the consultation process - helping to shape the future of your area.
