

## **Draft Method Statement for the Identification of Development Limits – Focussed Engagement Summer 2015 – Questions**

For the focussed engagement, people were asked to consider the following questions:

**Q6 (DL)** Do you have any comments on:

- a. the need to identify development limits in PLAN Selby?
- b. an alternative policy approach to protect the countryside?
- c. the proposed methodology for defining development limits?
- d. the conclusions about defining 'tight' development limits?

Where can I read the Draft Method Statement for the Identification of Development Limits?
