

Market Towns Study (Selby, Sherburn in Elmet and Tadcaster) - Focussed Engagement Summer 2015 – Questions

For the focussed engagement, people were asked to consider the following questions:

Q15 (MTS): Is there any relevant evidence base missing from the baseline review and factsheets and is there anything incorrect about our summaries of the evidence? *(Please note we are in the process of updating our evidence on matters such as flood risk, landscape and green infrastructure)*

Q16 (MTS) Looking at the factsheets for **Sherburn in Elmet** which talk about the growth and regeneration of the town, do you have any comments on

- a. the 'deficits, needs and aspirations'?
- b. the technical issues?
- c. the options and key planning issues?
- d. what areas of open land, in and around the town, do you think are especially valuable and tell us why you think so? *(please describe as clearly as possible where this land is and its extent. If possible submit a map to us showing the area(s) you have picked out)*
- e. what parts of the town's built up area do you think are especially valuable and tell us why you think so? *(please describe as clearly as possible where these areas are and their extent. If possible submit a map or photographs showing the areas you have picked out)*

Q17 (MTS) Looking at the factsheets for **Selby** which talk about the growth and regeneration of the town do you have any comments on

- a. the 'deficits, needs and aspirations'?
- b. the technical issues?
- c. The options and key planning issues?
- d. what areas of open land, in and around the town, do you think are especially valuable and tell us why you think so? *(please describe as clearly as possible where this land is and its extent. If possible submit a map to us showing the area(s) you have picked out)*
- e. what parts of the town's built up area do you think are especially valuable and tell us why you think so? *(please describe as clearly as possible where these areas are and their extent. If possible submit a map or photographs showing the areas you have picked out)*

Q18 (MTS) Looking at the factsheets for **Tadcaster** which talk about the growth and regeneration of the town do you have any comments on

- a. the 'deficits, needs and aspirations'?
- b. the technical issues?
- c. The options and key planning issues?
- d. what areas of open land, in and around the town, do you think are especially valuable and tell us why you think so? *(please describe as*

- clearly as possible where this land is and its extent. If possible submit a map to us showing the area(s) you have picked out)*
- e. what parts of the town's built up area do you think are especially valuable and tell us why you think so? *(please describe as clearly as possible where these areas are and their extent. If possible submit a map or photographs showing the areas you have picked out)*

Where can I read the Market Towns Study?

To read the final version and all previous versions of the Market Towns Study please go to the [Market Towns Study page](#).
