

Richmondshire Local Plan Review Issues and Options Consultation

We are beginning a review of our Local Plan for the towns and villages outside of the Yorkshire Dales National Park. We particularly want to hear your thoughts on the key issues and opportunities the revised Local Plan should address. This stage will involve identifying some strategic options and initial ideas for the strategic policies in certain areas including the scale and location of housing and economic development. Please provide your views and comments on the Issues and Options document by completing this consultation questionnaire.

Closing date: 31 October 2018

The personal information collected in this questionnaire will be dealt with according to the data protection principles as set out in the Data Protection Act 2018. Your details will be held in order to keep you up-to-date with progress. All comments and names will be available for public viewing. If you require further information about how your data is processed please view the council's privacy notice at www.richmondshire.gov.uk/about-the-council/data-protection/your-privacy/

Your details (mandatory):	
Name:	
Address including postcode:	
Telephone number:	
Email:	
Agent details (if applicable):	
Organisation:	
Name:	
Address including postcode:	
Telephone number:	
Email:	

Important information:

Please include all relevant information within the space provided for each question. Responses are limited to **7000 words** per question. A countdown will indicate the number of words remaining against each question.

You **do not** have to complete the entire form at once. There is an option to save and return later. You can print your completed form before submission if you choose.

If you have a site that you would like the Council to consider for development this should be submitted through the separate Call for Sites process. Further information is available on our website by inserting 'call for sites' in the search facility.
