Craven District Council

For the attention of Rachel Cryer, Spatial Planning Officer

Dear Ms Cryer,

In accordance with Regulation 15 of the Neighbourhood Planning (General) Regulations 2012 Bradley's Both Parish Council as the qualifying body for the designated Neighbourhood Planning Area is pleased to submit the Bradley's Both Parish Council Neighbourhood Development Plan (up to 2032) and request that the Local Planning Authority now publicises the plan and makes provisions for an independent examination.

As required by Regulation 15 I attach the following:

- a map identifying the area to which the proposed neighbourhood development plan relates;
- a consultation statement;
- the proposed neighbourhood development plan, and
- a statement explaining how the proposed neighbourhood development plan meets the requirements of paragraph 8 of schedule 4B to the 1990 Act (Basic Conditions Statement)

I also attach the updated SEA/HRA screening reports and confirm that having considered these and the responses from the prescribed statutory consultees Bradley's Both Parish Council do not consider that the NDP requires either HRA or SEA although as advised by yourselves appreciate that the formal determination of this will be a matter for the independent examiner.

In order to ensure that the local community is fully engaged in the process Bradley's Both Parish Council would like to publicise the plan alongside that undertaken by the LPA and so would request that you advise us in advance of when the plan will be publicised.

Yours sincerely

David Cohn,  
Chair, Bradleys Both Parish Council
